"QUILTS IN LIVING COLOUR"

WELCOME TO THE 23RD ANNUAL FESTIVAL OF QUILTS!

Come join us for this year's Festival of Quilts. Enjoy the quilts and all the colours as quilts wave in the breeze, brighten up barns, fences and fence lines. It is always wonderful to view all the amazing colours and exquisite workmanship on display throughout the Park. Be inspired by the colour and patterns on display during the weekend.

The special displays this year include Black and White plus One Colour quilts as well as intricately pieced and colourful quilts in the style of Judy Niemeyer and Jacqueline de Jonge.

Our special Gala Dinner speaker and Workshop presenter this year is Gloria Loughman. Come be inspired by Gloria's presentation and enjoy a delicious dinner. Sign up to take one of her workshops and learn about colour and composition.

Once again this year, we will have another installment of the Iron Quilt Challenge in which teams are pitted against each other

in a race to finish a quilt top. Come watch and cheer the teams to victory. There will be two competitions, one on Saturday and one on Sunday in the Chautauqua Tent.

If you are new to quilting or want to brush up on your skills, wander down to Atlas Lumber for How to Build a Quilt 101.

Black and White plus One Colour: Please enter your Black and White plus One Colour quilts. The quilts should be predominantly black and white with a small amount of a colour added. Colour should be the accent to black and white and not the main feature.

Please share your Judy Niemeyer and Jacqueline de Jonge style inspired quilts with us for a special display. We are looking for your intricately paper pieced quilts. We look forward to being amazed by your patience in piecing all those spikes and points.

1-DAY WORKSHOP

Colour Is Magic

Wednesday, May 23, 2018

9 a.m. – 4 p.m. | \$140.00 +GST

A stress free class where students have fun experimenting with colour and design. Beginning with structured colour schemes, students will confidently move on to create a simple landscape quilt that features an unusual palette of fabrics. The emphasis will be on colour choice and value, using colours that may never have been seen before in nature but work harmoniously together for a stunning and different effect. There will be a choice of two patterns so participants can concentrate on their colour scheme and not have to draw out their own. Approx. size: 30 cm x 42 cm

NEW! 2-DAY WORKSHOP

Light Up Your Landscape

Thursday & Friday, May 24 & 25, 2018

9 a.m. – 4 p.m. | \$275.00 +GST

Light is one of the most powerful tools that an artist can use in a composition. Fusing small squares, rectangles or diamonds of fabric, students can build up a landscape background that is full of light, contrasts and drama. In this class, design principles including perspective and focal point will be outlined and a variety of colour schemes will be displayed and discussed. Participants will then design their own wall hanging working from a photo, sketch or picture. Fusing, invisible machine appliqué, free motion stitching and quilting techniques will be included. This workshop is suitable for new and experienced quilters, with patterns and hand dyed and painted fabrics available in class.

*Supply lists will be provided upon registration.

Gloria Loughman

Workshop Instructor and
Gala Dinner Speaker

Gloria Loughman lives in Clifton Springs, Australia, a coastal town just over an hour from Melbourne. She is a trained secondary teacher having worked mainly in the literacy and special education faculties.

Over the years she has dabbled in many areas of patchwork. After completing some studies in art, she began to make her large vivid landscape quilts depicting the Australian bush. These quilts have won many major awards, both in Australia and overseas. Her quilt 'Kimberley Mystique' was the winner of Australia's national quilting award in 2003.

She has had a number of solo exhibitions, including two exhibitions at the prestigious NEC Show in Birmingham, UK. She has written four books, Luminous Landscapes, Quilted Symphony, Radiant Landscapes and Fabulous Facades.

In 2009, her commitment to teaching was acknowledged when she received the Rajah Award. This is an award presented annually for an outstanding contribution to quilt making in Australia.

2018 QUILTER OF DISTINCTION

Vanecea Green

The Festival of Quilts committee is delighted to showcase local quilter Vanecea Greene as the 2018 Quilter of Distinction. For the last 28 years Vanecea has worked toward establishing a prominent place for herself in the Calgary quilting community. She is a self

taught quilter with the help of the quilting section at the public library. Her style is best defined by modern fabrics and finishing techniques, every quilt teaches her something new.

Her bright, bold and unique designs are eye catching and award winning. Vanecea is the proud member of two established quilting guilds in Calgary; The Quilted Mouse and The Calgary Long Arm Guild.

Vanecea's latest endeavour has been through a partnership with the Even Start Foundation in Calgary. This is an organization that focuses their efforts towards at-risk children. She pledged a quilt for every child in the program, all 167 of them. Through the help of the Calgary quilting community and many generous donations of fabric, this pledge was met, and then some! Vanecea is honoured to spearhead this pledge every year.

Vanecea's own words describe why she is a perfect fit for the honour of Quilter of Distinction at this year's festival: "Quilting is an opportunity to inspire and encourage other quilters to try something new and exciting—step out of your comfort zone, it's okay to fail!" Vanecea has been a patron of the Heritage Park Festival of Quilts for over 10 years, and we are excited to share her passionate world with you.
