

VENUES – CHAUTAUQUA TENT AND CELEBRATION TENT

The tents are reminiscent of those erected in the early 1900s for outdoor events. Travelling entertainers, educational lectures and chautauqua troupes were hosted in these types of tents. Event tents were tan in colour to distinguish them from the typically white circus tents. Situated next to an expansive green space in the Historical Village, the adjoining tents, which are connected by washroom facilities, are ideal for large company picnics and Barbeques.
