GROUP DISPLAY ENTRY FORM

Group Displays are a great way to show off a group of quilts created by three or more quilters in response to a common theme or challenge. All group exhibitors are welcome—including charities, guilds and groups of friends. Here is what we need:

- 1 The group of quilts (10 max.) must be based on a common theme or challenge.
- 2 A single individual—the group coordinator—must be responsible for the Group Display.
- 3 All quilts in the group must be collected and delivered to Heritage Park together as one group on check in day, and they will be returned as one group. Individual quilters participating in the group display will not be permitted to drop off or pick up individual quilts for the group display, even if they have other quilts entered.
- 4 Quilts are displayed outdoors.
- 5 A Group Display Entry Form must be completed. The display story will be used in our catalogue and on display signage for the group quilts, and may be edited if necessary.
- 6 A list of individual entries must be collected and submitted as part of the Group Display Entry Form.
- 7 Questions? Contact the Heritage Park Special Events Office 403.268.8564.

DUTIES OF GROUP COORDINATOR

- 1 Be responsible for the group display entry.
- 2 Provide required information about the group display, including information about individual entries, as shown on this form.
- 3 Submit the entire package to Heritage Park by **Apr. 1, 2023**.
- 4 Collect the quilts to be entered in the group display.
- 5 Deliver the quilts to Heritage Park on quilt take-in day. **All quilts in a Group display must be delivered together.**
- 6 Pick up the group display quilts on quilt return day, and return them to the individuals who contributed them.

Please note: Submission of this form and delivery of quilt entries to Heritage Park constitutes permission for entries to be photographed, and acknowledges that Heritage Park accepts no responsibility or liability for goods or materials brought onto Heritage Park grounds during any event or exhibitions.
